

VACANCY

Junior Tax Consultant (JTC)

SF Consulting Tax and Business Advisory is looking for dedicated young professionals to serve as a Junior Tax Consultant (JTC). At SF Consulting you will have the opportunity to grow as a professional by dealing with clients from medium-large sized companies, both national and multinational. We are a team of dynamic professionals that strive to continue developing ourselves professionally and personally. We will help you attain your full potential by providing work that pushes your limits while continually training and guiding you to improve.

We are looking for people who have a passion in consistently creating work of the highest quality. We want individuals who have a desire to continue growing and are willing to put in the effort to achieve this growth. However, ambition and dedication is not everything. We are looking for individuals that have a professional mindset and attitude with good interpersonal skills; individuals who are able to interact well with their peers, their leaders, government officials and especially their clients.

Requirements:

- Male/female 21-24 years old
- Good command of spoken and written English. Proficiency in Mandarin will be advantageous
- Graduated from a reputable university with a minimum GPA of 3.00; majoring in Accounting/Finance would be an advantage
- Fresh graduate or have some experience in a reputable consulting firm (at least one year)

If this sound like the position for you, please submit your resume, a comprehensive curriculum vitae, including day contact number, current and expected remuneration details, recent photograph (please attached directly to your CV) and others support documents to:
